

## El Cajon Western Little League Sponsorship Levels

Dear Local Business Owner,

Thank you for your consideration in sponsoring El Cajon Western Little League. Below you will find the breakdown of the different sponsorships available to you and the benefits of each. El Cajon Western is run completely by volunteers and the cost involved is substantial. We could not run the league without the generous support of our sponsors and we appreciate you very much. All monies or merchandise donated to the league are tax deductible and will be used for the purchase of equipment and supplies needed to run the league. Sponsorship is for the league in general, not specific managers, coaches or teams.

Here are the sponsorships available for the 2010 season.
